### TESTIMONIALS

"I've had the pleasure of knowing Cayden through our church for the past five years. He continually proves his maturity and dependability, demonstrated by his support to our priests and deacons and his ability and willingness to handle any task assigned. Cayden has volunteered his time within the community by participating in a local highway clean-up program, and volunteering at a local homeless shelter. I know him to be a humble and respectful young man."

*Keith Kaminsky, Past Grand Knight, John Paul I Council 7165 Knights of Columbus, Dale City, VA*

“It has been my great pleasure and honor to see Cayden grow from an enthusiastic and dedicated boy to a hard-working, responsible, and well-rounded young man. Cayden has been one of my most reliable altar servers over the past 7+ years and has become one of the key leaders who assisted me with training new servers. Cayden will be an asset wherever he goes.”
