

Supporting Artifact 3: Team Collaboration Report

Purpose: To showcase my ability to foster teamwork and effective collaboration.

Summary:

As a member of the tech support team, I actively contributed to system updates, where teamwork was critical. I facilitated brainstorming sessions, ensured inclusive participation, and provided supportive feedback, helping the team meet deadlines effectively.

Achievements:

- Successfully coordinated efforts between 6 team members.
- Received verbal acknowledgment from team leader: “Your positive attitude and collaborative approach made a significant difference.”
